

Fun after 55!

July 2021

A message from your Seniors Centre Team,

Hello everyone! We are so happy to introduce our fall programs in this newsletter. We are going to bring some fitness and art classes back to the Aurora Seniors Centre and the Aurora Family Leisure Complex starting in September. All public health guidelines will be followed, including distancing, cleaning and lowering the maximum amount of participants within a space. The next few pages outline these classes. We will also stay with a virtual presence, keeping some classes over zoom. Your feedback as we plan the winter session is invited! Please email us at seniorscentre@aurora.ca.

Your Aurora Seniors Association board of directors and the Re-opening Committee are continuing to meet over the summer – watch for update using our E-flashes and in the August newsletter.

The Aurora Seniors Association is on Facebook, and starting July 1 you will also find us on Instagram! Click the links below to see what we are up to these days!

Sincerely, Karie, Brandie and Andrew

Board of Directors

Greetings Everyone!

It seems like things are looking up in the second half of 2021 with the vaccine rollout going so well. We are hoping to reopen by Thanksgiving if all goes well. As you may know we sent out a second survey regarding reopening and are pleased to say that we got a response from 30% of our members. That's very good. Over 97% of the respondents expect to be fully vaccinated by August 31st. The full results of the survey can be found in the newsletter and in an e-flash.

The majority of the respondents expressed confidence that the Aurora Seniors Centre will reopen as safely as possible and will follow the guidelines of the reopening committee and Board of Directors. All Federal, Provincial and Regional requirements will be met. In just a few more months we should all be able to be together again. After these past 15 months that comes as very good news!

This is a good time to express again our sincere thanks to Karie, Andrew and Brandie for all their efforts towards our safe reopening and for all the work they have been doing in presenting a Virtual Program, including Seniors Centre Without Walls and basically keeping the ship afloat!

When we do reopen, we will be looking for volunteers to fill some empty spaces on several of our committees. Please consider ways that you may like to volunteer. For further information or if you have any questions please contact me, Dave, via drdavelegallais@gmail.com.

Future Events to look forward to:

- During the summer a few Virtual seminars are being planned on various topics of interest.
- August 20th - Virtual Summer social event.
- September - Virtual Trivia event
- October - Virtual Halloween event
- The ASA is planning an Open House, if possible, in October or November.
- Unfortunately the Holiday Bazaar is cancelled this year but will be back again in Autumn 2022!

Aurora Cultural Events:

Saturday, August 14 - Pop Up information booth in the Town Park from 1 p.m. - 4 p.m.

Saturday, September 25 - Pop Up information booth in the Town Park from 10 a.m. - 4 p.m.

For other Town Summer of Culture events and Town Culture Day events keep an eye on the Town of Aurora website.

As usual check the website and watch for e-flashes for further information on these events.

That's it for this month. Stay safe and get those vaccines! We're almost there!

A Message from the ASA Re-Opening Committee

The Aurora Seniors Association Re-Opening Committee recently conducted a survey to find out how our members feel about reopening the Centre when it is permitted to do so in accordance with all Municipal, Provincial and York Region Health requirements. Our Committee includes members of the Board of Directors, other ASA committee members, and of course, Karie and Andrew on behalf of the Town of Aurora.

Thank you to all members who responded to the survey! Your responses will help us to make decisions about reopening the Centre. According to the survey results:

96.8% of respondents expect to be fully 'two-dose' vaccinated by August 31st.

The majority of respondents want to return to the Centre, and most felt comfortable reopening in the Fall, assuming the pandemic situation is manageable and indoor activities are permitted in that time frame.

The majority of respondents expressed confidence that the Aurora Seniors Centre will be reopened as safely as possible under the guidance of the Reopening Committee and within all Municipal, Provincial and York Region requirements.

Members expressed an understanding that ASA and Town activities and programs will be returning on a risk-assessed and reduced participant basis in order to protect the health and safety of all, and that protocols will be in place as needed.

All ASA activities listed in the survey received favourable and numerous responses. The three most popular categories were Movies, Cards, and Fitness. When the Centre does reopen, all in-person activities will be assessed in accordance with the necessary protocols to be followed, and when approved, the activities will be reintroduced in stages.

22.8% of respondents have served as volunteers of the ASA. Most intend to continue and an additional 9% would like to become volunteers. There is a process to welcome and encourage new volunteers. Information about applying and qualifying for volunteer areas of interest will be available closer to the reopening.

Town of Aurora run programs, including those that require a fee and those that are free of charge, received very positive responses as did ASA programs, activities and events.

Many respondents added helpful and thoughtful comments or explanations that are too numerous to mention here.

Membership fees for 2020 have been extended to cover 2021. No additional annual membership fees will be required to participate in ASA regular activities and programs in 2021 once the Centre reopens. The financial health of your Association continues to be managed well by the Finance Committee and the Board of Directors!

Thank you to all members for your understanding, patience and consideration given the challenges we have faced in managing the impact of Covid 19. We will continue to keep you updated as new information becomes available throughout the summer.

Computer Club Information and Activities for July 2021

As we noted in the June newsletter, in July and August we will move to a biweekly Tuesday schedule to give us all more time to enjoy summer while it is here. The first July meeting will be on the 6 and then again on the 20. These will be Q&A sessions and your questions are welcome as usual. If you think they might be complex, please send them to Bob or Doug or both of us in advance via email so we can be sure we have the answers for the session.

The Aurora Seniors Association website at <http://www.auroraseniors.ca/> is your best source for information about any of our programs or use one of the email addresses below.

Your suggestions and comments about what you might like the computer club to do, courses we could teach or content for our Tuesday sessions is always welcome. Send your suggestions to Bob Hedenberg at bobhed65@gmail.com or Doug Cooper at techspeakr@gmail.com.

Tips on a good call

Here are some ways to make the most of your SCWW calls.

LET THE FACILITATOR LEAD: To reduce confusion on the phone it is important to let the facilitator or guest speaker guide the conversation or activity.

USE THE ME/NOT ME RULE: Remember to give everyone a chance to speak. This includes making sure to not talk over or disrupt someone while they are speaking. and being mindful that every time you comment on something, it might not be giving space for someone else, or allowing the program to continue.

BE MINDFUL: Be mindful that everyone has a story, a background, and a different way of looking at the world, and/or different communication styles.

REDUCE BACKGROUND NOISE: Plan to be in a location with reduced background noise. Turn off anything that might make noise (television, radios, or pets.) Be aware that the facilitator may mute your line if there is too much background noise.

Zoom Help

Interested in Trying ZOOM? Need some help?

Please email abailey@aurora.ca, and we would be happy to assist.

ASA Evergreen Choir

The Evergreen Choir committee was delighted that we were given permission to start a zoom choir. Sylvia Gilchrist was unable to co-host this with Andrew Bailey, as she has been living in her remote cottage for over a year, so I was asked to be co-host, which I happily accepted. After our first meeting on March 3 to get organized, our practices began on March 10, with tremendous enthusiasm. Richard spent some time teaching us how to use our microphones and cameras, and also how to control the volume.

Hadara sent us all the music, and Ruth very kindly made sure that those of us who didn't have printers, received their music. We were off to a good start, with everyone chatting happily, all at once. Many of us had never been on a zoom, so it was quite a learning experience. There were no senior moments that I can remember.

Some days we were not as synchronized as well as in previous weeks, and wait until you hear the song Henry Crane introduced us to! It's 13 pages long, and, as you know, he always manages to have us laughing heartily!!

Our hair is getting longer and longer, and we are getting better and better, but it is really hard work singing on zoom. A few women who are not members of our choir have joined us, and their glowing faces are quite a delight for us to see. Hopefully, we will be great by the time we can actually see each other, and we now have a head start on others who could not be with us, for our next concert.....*in person*. It really is such a blessing actually seeing each other, and having such patient and talented people like Richard Heinzle and Hadara Jacoby leading us. Onscreen, we are looking good....some of us actually have tans already!

Fondly, Willo
