

How to get your Covid-19 Vaccination Receipt

If you have the receipt you were given with your final vaccine that is all that is required.

If you no longer have that receipt follow these instructions;

1. Go to the website [Ontario COVID-19 vaccination service \(ontariohealth.ca\)](https://ontariohealth.ca) then click on the box Terms of Use. Put in your green Health Card number, date of birth and postal card and your receipt will appear. Print it out or request it be sent to you electronically.

2. If you have an older red and white Health Card call the Provincial vaccine booking line at 1-833-943-3900. Receipts are available there.

3. If you are still having an issue getting your receipt call Paul at Christine Elliotts office at 905-853-9889 for assistance.
