AGM22-01 Call to Order & Introduction of Guests

A.S.A. President Dave LeGallais declared the meeting open for business at 13:05 hours, and welcomed all present – members, guests, Seniors Centre staff - to the 16th Annual General Meeting of the Aurora Seniors Association.

Noting the close and mutually beneficial relationship that AS.A. enjoys with the Town of Aurora and the Town’s accommodation with regard to reducing user fees throughout the extraordinary circumstances brought on by the pandemic, the President extended a warm welcome to Mayor Tom Mrakas and Robin McDougall, Director of Community Services and invited them to address the meeting.

In his comments Mayor Mrakas commended the A.S.A. Board, its volunteers and members – as well as Town staff Karie, Andrew, Bill and Brandie – for their efforts to ensure continued support and services to the seniors community throughout the two-year disruption. On behalf of Town Council, The Mayor wished A.S.A. continued success and stressed the importance of the mutually respectful relationship between the Town and A.S.A. in providing services to the seniors community.

As the A.S.A.’s direct liaison with the Town, Robin McDougall also commended the Board and members for their dedication to maintaining a positive and collaborative relationship throughout the suspension of programs and activities. Robin noted that her Community Services Team is charged with providing programs to all Aurora residents - from pre-school through older adults – and is adaptive to changing circumstances – like the recent past which required adapting from in-person to virtual participation. On behalf of the Community Services Department, Robin thanked staff and volunteers for their efforts to ensure the safe delivery of programs and activities at the Seniors Centre.

The President resumed the podium and continued with the meeting agenda.

AGM22-04 Treasurer’s Report & Approval of 2021 Financial Statements

A.S.A. Treasurer Cheryl Rines presented the report and 2021 Financial Statements – 2021 Statement of Operations and 2021 Balance sheet - as included in the agenda package:

Cheryl noted that Financial reports are reviewed by the Finance Committee*, then provided to the Board of Directors at their monthly meeting for approval. The reports are attached to the minutes of each board meeting and are kept in a binder in the ASA office for viewing. As evident in the reports, the Pandemic had an effect on A.S.A. finances due to the lack of revenue. When it comes to Expenses, User Fees are the largest for the Association. With no revenue in 2021, the Association is grateful that the Town of Aurora agreed to waive most fees and reduced some throughout the Pandemic. Members were provided the opportunity to submit questions via email regarding these reports. The Treasurer noted that no questions had been received.

Accordingly she presented the recommendation for the adoption of the Report and 2021 Financial Statements:

Moved by: Charles Sequeira

Seconded by: Ruth Church

THAT the Treasurer’s Report and the 2021 Financial Statements produced by the ASA Finance Committee be adopted, and That any two directors be authorized to sign these reports on behalf of the Aurora Seniors Association.

President Dave LeGallais noted:

“Good Afternoon Everyone.

On behalf of The ASA Board I would like to thank you all for coming out today and welcome also all our members who are joining us virtually.

As you may be aware this is our first Annual General Meeting since June 12, 2019. I think we can all agree this is a great step forward and hopefully just one example of things returning to better times.

In March of 2020 we were forced to close our doors do to the world wide pandemic, Covid-19. With the exception of two brief re-openings we were closed till this past February. Who would have believed in those early days that it would take two long years for the world to begin to recover? But here we are together again and hopefully the worst is over.”

Highlights of the President’s address:

- Recognition of the members of the Seniors Centre Reopening Committee who throughout the 2-year Pandemic worked towards the safe reopening of the Centre, initiating measures that followed Provincial and Town health and safety guidelines.
- Membership – pre-Pandemic A.S.A. membership approximated 1600. Current membership is at 843 – or which 107 are NEW members.
- A.S.A. Activities – two-thirds have restarted – goal is to encourage people to start coming out to the Centre again and participate in their favourite activities by ensuring them that the environment is as safe as possible.

- Recognition of Town Staff assigned to Seniors Centre – Karie Papillon, Andrew Bailey, Bill Hawke and Brandie Yorg – who worked diligently for the past two years to help the Centre and the ASA stay together and have worked tirelessly toward our re-opening. “We cannot thank the four of you too much. Please be aware that the ASA membership truly appreciates all you do.”
- Thanked the members of the Board of Directors who throughout the Centre closure continued to meet virtually and work toward our eventual reopening.
- Director Elections have not been held since 2019. The next Director Elections will take place in 2023. The current Board has been extended through the 2022-2023 Board Term.
- Coffee service is back, and staff and volunteers are working on getting one of our most popular activities up and going again and that is the Bistro.
- Current fundraising projects – Chocolate Sales and Bottle Drive – organized by volunteers Carol Palmer and Pat Varney.
- Establishment of a Website Committee headed by Doug Cooper and Jo-Anne Bartholomew.

The President concluded his remarks by thanking A.S.A. Volunteers who serve on committees, co-ordinate activities and maintain the A.S.A. office and Reception Desk and the reminder that “our Centre is only as successful as the members who participate”.

AGM22-12 Presiding: Dave LeGallais, A.S.A. President (2019-2020)

In his role as re-elected President, Dave LeGallais made the following statement:

“I know all our old members remember what our Centre was like pre Covid. It was one of the busiest Centers in Ontario.

Since we have come back after two years of closure we are in a period of transition, going from pre-Covid normal to post-Covid normal.

All the generations are going through this transition from Kindergarten, Public school, High school and University. Even our Adult children in the work field are experiencing great changes in their way of life. Change can be confusing and a little scary but often comes to a good ending in the long run.

How long is this period of transition going to last? I honestly don't know. To be honest I am not sure what the new normal will look like. I'm not sure? But I do know that if we all work together as a team and by that I mean the Board, the Town Staff and all our ASA members, we will get through this more smoothly and faster.

So let's all pull together and right this ship for all our sakes. When we arrive at our new normal we can accept and embrace it for our future. Hopefully we will look back at this time and say We did it! It wasn't as bad as we thought and we're ready to enjoy our Centre and all it has to offer.”
