

My name is Stephen Choi, and I am pleased to be running for the ASA Board of Directors.

I joined the Aurora Seniors Association in November 2005 and participate in a variety of activities in the Centre.

I am a retired pharmacist from Metro (A&P Stouffville).

Recently there have been many new members who have joined the Centre who speak Mandarin. I can speak Chinese, Mandarin, and Cantonese. My mother tongue is Cantonese, and I would be able to help.

I believe I would be a great addition to your board of directors.
